Respectfully,

Mark Remillard
Division Chair, Business and Applied Technologies

Appendix 5

: Due to the nature of the community college structure, faculty and staff are not required to publish as part of their professional responsibilities. Elvira Martin is working on her Doctoral Dissertation in the field of Organization, Information, and Learning Science in the area of the issues of retention issues, barriers, and concerns faced by Native American women returning to a community college to obtain an Associate of Science Degree. Her dissertation will be a valuable piece of research in the field.

Abbreviated CV or experience summary for program faculty

ae of Faculty Members in the IT Program

1. The first part of the document discusses the importance of maintaining accurate records of all transactions.

2. It is essential to ensure that all entries are supported by appropriate documentation.

3. The second part of the document outlines the various methods used to collect and analyze data.

4. These methods include both qualitative and quantitative approaches.

5. The third part of the document provides a detailed overview of the results obtained from the study.

6. The findings indicate a significant correlation between the variables studied.

7. This correlation suggests that the factors analyzed have a direct impact on the outcome.

8. The fourth part of the document discusses the implications of these findings for future research.

9. It is recommended that further studies be conducted to explore the underlying mechanisms.

10. The fifth part of the document concludes with a summary of the key points discussed.

11. In conclusion, the study has provided valuable insights into the relationship between the variables.

12. The results of this study will be useful for practitioners in the field.

13. Finally, the document includes a list of references for the sources cited throughout the text.

14. The references provide a comprehensive overview of the current state of the field.

15. The document is intended to serve as a resource for researchers and students alike.

16. The author expresses their gratitude to the participants and reviewers for their contributions.
